ABOUT US

Legal Minds is a professional limited liability company registered with the Ministry of Commerce under Unified National Number 7051932270, and licensed by the Ministry of Justice and the Saudi Bar Association under license number 451484. The firm began as a sole proprietorship, and after earning the trust of its clients, evolved into a professional company in accordance with the laws of the Kingdom of Saudi Arabia.

Our firm brings together a distinguished team of attorneys licensed by the General Administration for Law Practice, alongside seasoned legal consultants experienced in a wide range of fields — including commercial, labor, civil, and other areas of law. Our team has a long and diverse track record, having represented numerous clients from the corporate, individual, and governmental sectors.

OUR VALUES

- Commitment to our mission
- Integrity and professional ethics
- High credibility and transparency
- Absolute confidentiality and client privacy

OUR VISION

We strive to meet our clients' legal needs with a pioneering approach, establishing frameworks that protect them from potential legal risks and provide a solid foundation for handling future disputes. At Legal Minds, we are committed to continuous growth and leadership in the legal field both locally and internationally.

We uphold the highest standards of professionalism and diligence in fulfilling our obligations to clients, aspiring to be the preferred legal reference for individuals and companies across all sectors.

OUR MISSION

To achieve our clients' objectives by guiding them toward legal excellence and delivering the best innovative legal solutions and services. We aim to be a symbol of legal innovation by providing our services in a professional, specialized manner and employing the most effective strategies.

OUR STRATEGY

Our strategy is built on a client-centric philosophy that combines legal expertise with a deep understanding of our clients' needs to create unique, effective solutions. Our commitment to monitoring legal developments and regulatory updates ensures responsive and efficient legal representation that meets our clients' expectations.

OUR TEAM

SALEH ALOMARY

Chief Executive Officer

- Possesses extensive experience in business development, including drafting memoranda of understanding (MoUs) and commercial contracts.
- Has over 14 years of experience in business development, strategic management, and human resources.
- Participated in numerous conferences and workshops as a speaker and expert in professional services.

OUR SERVICES

With our experienced team and strong partnerships with many leading local and international law firms, Legal Minds is dedicated to meeting the clients, needs by providing a comprehensive range of legal services and innovative solutions. Our offerings include, but are not limited to, the following:

LITIGATION AND LEGAL CONSULTATION

Representation of clients before all judicial and quasi-judicial bodies in Saudi Arabia (including courts and specialized dispute committees of all types). We also handle the enforcement of court judgments, commercial instruments, and other enforceable titles.

Provision of legal consultations across various fields with the utmost transparency and professionalism, keeping the client fully informed of potential challenges and advising on preventive legal solutions.

ALTERNATIVE DISPUTE RESOLUTION

Resolving disputes amicably through arbitration, mediation, or conciliation. Our attorneys leverage their negotiation expertise to achieve satisfactory settlements among disputing parties without resorting to litigation.

LEGAL DRAFTING

Preparing, reviewing, and auditing all types of contracts, agreements, memoranda, and legal documents for companies, individuals, and government entities.

COMPANY FORMATION, MERGERS & AMENDMENTS

Establishment of all types of local, foreign, and joint companies in accordance with Saudi regulations. We also manage company mergers and amalgamations, restructure articles of association and partner resolutions, and complete all required filings with the Ministry of Commerce and the Ministry of Investment.

FRANCHISE AND COMMERCIAL AGENCY

Drafting franchise agreements and commercial agency and distribution contracts for franchisors and franchisees in line with the regulations and guidelines of the Ministry of Commerce and the Ministry of Investment. We ensure the rights and obligations of both parties are protected and handle the registration of these agreements with the Ministry's Commercial Agencies Department.

FOREIGN INVESTMENT & PREMIUM RESIDENCY

Providing a suite of services for foreign investors in Saudi Arabia, including advising on the appropriate type of Premium Residency or business licenses based on their legal status, and handling all procedures to obtain the necessary permits.

CORPORATE GOVERNANCE

Delivering specialized legal services in corporate governance in compliance with the executive regulations of the Capital Market Authority, the Ministry of Commerce, and the Saudi Central Bank. We help organizations implement sound governance practices and ensure regulatory compliance.

INTELLECTUAL PROPERTY

Offering legal advice and services across all areas of intellectual property. We handle trademark registration, patent filings, and copyright protection procedures, safeguarding our clients' intellectual property rights against infringement.

Providing accredited notarial services for individuals and companies in accordance with the Notarization Regulations (Ministerial Decision No. 66954 dated (1435/10/07)). This authorization allows licensed notaries to perform certain functions traditionally reserved for official notarial offices, thereby streamlining and expediting documentation processes.
